SUPERINTENDENT SEARCH

The Wilson Central School District Board of Education invites interested community members to attend the public forums to provide input into the development of superintendent search priorities and characteristics for consideration in the process to replace their retiring Superintendent of Schools.

A community session is scheduled for Tuesday, January 10, 2017, at 6 pm-7 pm in the High School Auditorium, located at 374 Lake Street Wilson, NY. The Board of Education will also be conducting public forums with each of the selected finalists on April 18-21, 2017 for the community to participate in the review of candidates.

All interested community individuals and representatives from stakeholder groups are encouraged to attend and participate in the discussions. Should you have any questions regarding these meetings, please contact Dr. Clark Godshall, Superintendent Search Consultant at 716-731-6800 x 2201.
