

**WILSON ACADEMY OF FINANCE
FINANCIAL LITERACY FAIR
JANUARY 18, 2017
7:00 P.M.
WILSON HIGH SCHOOL CAFETERIA**

Principle of Finance students will be presenting their culminating group projects to the Wilson Academy of Finance Board of directors, faculty, special guests, and parents.

The Wilson Academy of Finance through NAF is a program that helps students gain necessary soft skills that employers are expecting in employees; such as communication, teamwork, critical thinking and problem solving skills. Students may choose to continue on in the Wilson Academy of Finance after their freshmen year. Academy students would then have the opportunity for a paid internship and be eligible for NAFTrack Certified Hiring.
